**National Harbor, MD**

## **EXHIBITOR AND SPONSORSHIP PROSPECTUS**

Exclusive Benefits and Opportunities

# Join us at the Harbor!

This is *the* global event where the aging field's brightest minds and biggest influencers converge—and your brand deserves to be at the center of it.

As a sponsor or exhibitor, you'll connect with over 4,500 leading professionals in the field of aging. Spotlight your brand, introduce solutions, and spark high-impact conversations with an elite, interdisciplinary audience of researchers, clinicians, educators, and industry leaders.

This is your chance to amplify brand visibility, fuel demand, and build partnerships that move business forward in the rapidly evolving field of aging.

**Own the moment. Stand out. Be seen. GSA 2026 is where influence happens.**

## Who Are Our Attendees?

- **Health Sciences**

Physicians, dentists, nurses, pharmacists, nutritionists, and other allied health professionals.

- **Behavioral and Social Sciences**

Economists, epidemiologists, political scientists, psychologists, sociologists, anthropologists, humanists, social workers, and other clinicians.

- **Biological Sciences**

Individuals with interests varying from understanding molecular alterations that feature in the aging process to those studying evolutionary forces that determine longevity differences among species.

- **Social Research, Policy & Practice**

Educators, researchers, practitioners, and policy makers.

- **Academy for Gerontology in Higher Education (AGHE)**

AGHE is GSA's education group of colleges and universities that offers education, training, curricular innovations, and research programs in the aging field.

- **Emerging Scholar and Professional Organization (ESPO)**

ESPO provides students with opportunities to be actively involved in the field of gerontology.

## **Momentum Discussions | \$35,000**

These sessions address topics of great momentum in gerontology. They highlight advances in research and practice and how gerontologists can support the needs of the aging population. Speakers engage in a dialogue with a moderator and the audience. The Discussions are produced with GSA oversight. Each program includes a moderator and three to four panelists taking part in a live 60-minute panel discussion, including audience engagement.

Email Jennifer Pettis for more information: JPettis@geron.org

## **Industry-Supported Symposium | \$18,000**

We invite you to elevate your brand by hosting an industry-supported symposium in conjunction with the Gerontological Society of America's 2026 Annual Scientific Meeting. These sessions enhance the meeting's educational programming while giving your organization direct access to an influential, multidisciplinary audience. Increase visibility of your clinical, research, ethical, academic, or public policy initiatives among gerontologists, geriatricians, and key decision makers in gerontology with a lunch or dinner event held in the convention center.
